Model	<i>WORLD TOUR CLASSIC SERIES</i>	SPECS	SPEAKERS	RETAIL
WT1205	Dual channel preamp, tube hybrid stereo amplifier. Channel 1: 4 band Eq with Enhance. Channel 2: 3 band Eq with mid-sweep and Enhance. Dynamic boost and variable compression. Input pad, dual pre/post effect loops, stereo aux inputs, pre/post selectable DI out with ground lift, headphone out, tuner out, thermostatically controlled fan, 1/4" and NL4 speaker out. Rack mountable. 28 lbs.	1200W brdg @ 4 Ω 1000W brdg @ 8 Ω, Peak 2400W	n/a	\$ 2,499.90
WT800	Tube hybrid stereo amplifier. Switchable automatic compression, 5-way semi-parametric tone control, Input pad, Enhance control, Electronic crossover, pre and post effect loops, stereo aux inputs, DI out with ground lift, headphone out, tuner out, thermostatically controlled fan, 1/4" and NL4 speaker out. Rack mountable. 26 lbs.	1100W brdg @ 4 Ω, 880W brdg 8 Ω, Peak 2200W	n/a	\$ 2,099.90
WT550	Tube hybrid mono amplifier. Switchable automatic compression, 5-way semi-parametric tone control, Input Pad, Enhance control, pre and post effect loops, stereo aux inputs, DI out with ground lift, headphone out, tuner out, thermostatically controlled fan, 1/4" and NL4 speaker out. Rack mountable. 18 lbs.	750W @ 2 Ω, 500W @ 4 Ω, 300W @ 8 Ω, Peak 1500W	n/a	\$ 1,499.90
WT405	FET IC amplifier. Variable automatic compression, 3-way tone control with mid-shift, Dynamic Boost for bass and treble, Dual inputs, Input pad, Warm control, Enhance, pre and post effect loops, stereo aux inputs, DI out with ground lift, preamp out and power amp in linkage, headphone out, tuner out, thermostatically controlled fan, 1/4" and NL4 speaker out. Rack mountable. 17 lbs.	650W @ 2 Ω, 400W @ 4 Ω, 250W @ 8 Ω, Peak 1300W	n/a	\$ 1,399.90
WP100	Tube/hybrid front end, Dbx type compression, Character control, Eden semiparametric eq., Input pad, front panel DI output control, mono pre-eq loop, stereo post-eq loop, side-chain loop, variable crossover, stereo output limiters, Front panel switching to defeat compressor, enhance, mute and turbo boost switches. Footswitchable controls, 1/4" and XLR outputs 12 lbs.	Output +21dBm Bal/unbal.	n/a	\$ 1,099.90
NEW! WTX1000N	The fully powered Navigator has arrived. Includes every flexible feature of the WP100 with dual 500W class D power section.	2 x 500W @ 4 ohms	n/a	\$ 1,449.90
NEW! WTX500	New X class Analog switching amplifier with universal AC line input. This unit works from 90V to 130V to 190 to 250V with only as simple jumper set up. This is a sub compact light weight package @ 5 Lbs and 8" x 9" x 2.5". Features include 3 way tone control with mid shift, dynamic bass boost, input pad, Enhance control, Pre/post D.I. selector, effect loop, Stereo Aux input, D.I. with ground lift, Headphone out, tuner output, fan.	500 Watts @, 4 Ω	n/a	\$ 799.90
Model	<i>WORLD TOUR BLACK SERIES</i>	SPECS	SPEAKERS	RETAIL
NEW! WTB1000	Tube hybrid stereo amplifier. Switchable automatic compression, 5-way semi-parametric tone control, Input pad, Enhance control, Electronic crossover, pre and post effect loops, stereo aux inputs, DI out with ground lift, headphone out, tuner out, thermostatically controlled fan, 1/4" and NL4 speaker out. Rack mountable. 26 lbs.	1100W brdg @ 4 Ω, 880W brdg 8 Ω, Peak 2200W	n/a	\$ 2,099.90
WTB300V	Newly updated for 2009, this classic all-tube design includes 6 x KT88 power tubes and full tube preamp. Features include footswitchable mute to tune and overdrive, Hi and low gain inputs, Real Tube overdrive, 3 band EQ with mid shift, Adjustable exterior bias controls. Fan cooling. Footswitch included, Pro DI., 1/4" and NL4 speaker out. 42 lbs.	300 watts @ 4 Or 8 Ohm	n/a	\$ 1,799.90
ALL XLT AND XST CABINETS NOW AVAILABLE IN BLACK VINYL COVERING. ADD "V" TO END OF EACH MODEL NO.				
Model	<i>DAVID SERIES XST CABINETS</i>	SPECS	SPEAKERS	RETAIL
D410XST8	The ultimate 410 bass enclosure, deep full studio sound, w/protective metal grill, tweeter protection, castors. 36 hz to 14 Khz, 23"W x 25"H x 18.5"D, 95 lbs.	1000 W	EC-1060XS Cast E2700 Cast 8 Ω	\$ 1,399.90
